# **Core Values**

Hyles-Anderson College's core values are purpose, passion, and commitment.

#### Purpose

Hyles-Anderson College has a well-defined purpose. Our commission is to win the lost to Christ, disciple converts, and build churches. First Baptist Church has already started many churches in these various categories. Hyles-Anderson College, as a ministry of First Baptist Church, has taken the Great Commission as a personal challenge.

### Passion

Go, Win, Baptize, Teach. As a young man is serious about his training to go into battle to protect his country, so Hyles-Anderson College students are passionate about witnessing and preaching to the unsaved, winning them to Christ, getting them baptized, and training them to grow in the Lord while winning others and training them.

## Commitment

Dedication to our urgent task is supreme. Our founder, Dr. Jack Hyles, was famous for instilling statements such as "Don't Quit," "Duty," or "Knocked Down, But Not Knocked Out" into the lives of students. Commitment becomes a lifestyle, not just an obligation while in college.

Hyles-Anderson College was established so that pastors, missionaries, teachers, principals, and others in full-time Christian work can be better equipped to do the work of the Lord. The desire of its administration, staff, and faculty is *"That the man of God may be perfect, throughly furnished unto all good works."* (II Timothy 3:17) Every student receives a Bible-centered education.

# **Our Intense Evangelistic Atmosphere**

Faculty, staff, and students go soul winning weekly and participate in the evangelistic ministry of the First Baptist Church of Hammond, Indiana. In 1972, the Sunday school of the First Baptist Church of Hammond was designated by *Christian Life Magazine* as the largest in the world!

# **Our Fundamental Emphasis**

We are fundamentalists and use the term proudly. We believe in a literal Hell which has fire and brimstone and a literal Heaven with streets of gold. We stand for the King James Bible and the local New Testament church. We believe in redemption through the blood of Christ, salvation by grace through faith alone, and the premillennial second coming of Jesus Christ.

# About Us

### **Our Emphasis on Culture**

We believe in students' learning and practicing propriety. We believe in respect, refinement, dignity, courtesy, proper manners, and Christian grace. A destructive, critical, and cynical attitude grieves the Holy Spirit and is not tolerated.

## **Our Old-Fashioned Discipline**

The "Hyles-Anderson look" is a conservative, professional, modest, and attractive style. Ladies are known for their modest-length dresses and men for their short haircuts. Visitors to our campus comment about our friendly atmosphere. Our standards are designed to prepare leaders in the ministry. Each student is expected to live, act, talk, and dress so that at no time will he bring reproach upon the name of Christ.

### **Our Emphasis on the Practical**

We blend scholarship with practical training. We teach not only what to do but how to do it. Men are taught how to start churches, build buildings, borrow money from lending institutions, raise money, adopt a budget, and organize New Testament churches. Great soulwinning leaders from across America serve as guest lecturers.

The students learn from pulpit preaching, invitations, baptismal services, funerals, weddings, business meetings, and much more. Each student studies the varied successful ministries of the First Baptist Church of Hammond and has the opportunity to be involved in these ministries, which include:

- Church Planting
- Sunday School
- Choirs
- Bus Ministry
- Soul-winning Visitation
- Shut-in Work
- Church Nurserv
- Spanish Work
- Deaf Ministry
- Street Preaching
- Developmentally Challenged Ministry
   Inner-city Chapel Ministry

- Truck Stop Ministry
- Promotional Activities
- Reformers Unanimous Ministry
- Blind Ministry
- Jail Ministry
- Sailor Ministry
- Public School Ministry
- Phoster Club
- Rest Home Ministry
- Youth Work

Hyles-Anderson College is a private Bible college designed to train students for Christian ministries. It is our purpose to provide a spiritual, academic, and cultural atmosphere that will produce well-rounded leaders.

We at Hyles-Anderson believe that God's program for service today is centered in the local New Testament church. We are committed to training preachers who will go from here to build Bible-believing, fundamental, separated, soul-winning churches. Thus, our goal is to train America's future pastors, assistant pastors, evangelists, song leaders, youth workers, bus directors, and missionaries.

We also believe that an important arm of the local church is the Christian school. Because of this belief, we are training teachers and administrators for Christian schools. We believe that the Christian school teacher and administrator must be professionally trained and spiritually oriented.

Hyles-Anderson College is training successful preachers and teachers by following a three-fold emphasis. The spiritual must come first in the life of a Christian. Chapel services with true Bible preaching form a portion of this emphasis. This atmosphere is maintained in the classroom where every teacher is a dedicated Christian and consistent soul winner.

The second emphasis is the strong academic curriculum. It is the purpose of our curriculum not only to teach how to reach the masses, but also to instill in students what to teach and preach to those reached.

Thirdly, our curriculum emphasizes the practical side of church ministries, the "how-to-do-its." Our faculty teach techniques, methods, programs, and philosophies behind the ministry of the First Baptist Church of Hammond, Indiana. Hyles-Anderson students have a peerless opportunity to work in the ministries of the First Baptist Church of Hammond, Indiana, to learn the whys and hows of this great ministry.

# **Doctrinal Statement**

### Scriptures

God has graciously blessed both His creation and especially His redeemed by giving to all His words.

God's Word constitutes what we call the Holy Bible. We believe the Bible is the Word of God. We believe in the authority and the integrity of both the Old Testament and the New Testament. We believe the Spirit of God exercised His power and wisdom upon the holy men of old and impressed upon them in such a manner that what they wrote was nothing less than the very words of His choosing.

Furthermore, we believe that God has providentially superintended the copying and translating of His words through the ages so that the Bible we have today can confidently and authoritatively be called the very Word of God and is reliable, trustworthy, and accurate and is our final authority in all matters of faith and practice.

First Baptist Church of Hammond and its related ministries use the King James Version of the Bible exclusively in all of their English-speaking ministries. The King James Version is used as a comparative authority in all non-English-speaking ministries as well.

First Baptist Church engages in and encourages the learning of the original languages of the Bible as a help in the study of God's Word, to provide the basic tools in Bible translation, and to assist in the defense of the preservation and integrity of God's Word as modern languages continue to evolve or change.

John 17:17, "Sanctify them through thy truth: thy word is truth."

### Sovereign God

God is a Person, eternally existing as a Trinity in unity—Father, Son, and Holy Spirit—three Persons and yet but one God. (Deuteronomy 6:4; Matthew 28:19; I Corinthians 8:6)

### Son

Jesus Christ, eternally existing, is the only begotten Son of God, Who became a man totally apart from sin, being conceived by the Holy Spirit and born of the virgin Mary, and is true God and true man. (Luke 1:30-35; John 1:1-15; Philippians 2:5-8; Colossians 1:15)

## Sin

Man was created in the image of God but fell through sin, bringing not only physical death but also spiritual death—separation from God. Now all mankind is totally depraved, having inherited a sinful nature; is bent toward sinning; and has become sinful in thought, word, and deed. (Genesis 1:26, 27; 2:16, 17; 3:6-19; Romans 3:10-23; 6:23)

## Sacrifice

The Lord Jesus Christ suffered and died as a substitutionary sacrifice for the sins of the whole world. He arose from the dead in the body in which He was crucified; He ascended into Heaven in the glorified body where He is seated at the right hand of God the Father as Head of the Church, making intercession for the saints as our High Priest. (Luke 24; Acts 1:9-11; Romans 5:8-10; Ephesians 1:20-23; I Peter 3:18)

### Salvation

Man is lost and must be born again to enter the Kingdom of God. Salvation is by grace alone through personal faith in the finished work of Christ on the Cross. (John 1:12; 3:3-7; Ephesians 2:8,9)

### Service

The local church is a group of believers baptized by water; banded together for edification, exhortation, and evangelism as commanded by Christ in the Great Commission; preaching the Gospel to every creature. (Mark 16:15; I Corinthians 12:12; Ephesians 1:22, 23)

# Second Coming

The Lord Jesus Christ Himself is coming again in the air at any moment to catch up His Church and to reward their service. The unbelievers left behind will go through a period called the Tribulation, after which Christ shall return visibly to the earth to set up His Kingdom of one thousand years of righteous rule. After this, the unbelievers of all ages will stand at the Great White Throne to be judged and cast into the Lake of Fire, separated from God forever, while the believers spend eternity in the fullness of joy in Heaven with the Lord. (Matthew 24:29-42; I Thessalonians 4:16-18; Revelation 19:11-20:15)

# **Distinctives of a Hylander**

**A true Hylander is a consecrated Christian.** A Hylander is a born-again believer who has yielded himself completely to the Lord and to the Lord's will for his life.

A true Hylander is a soul winner. At Hyles-Anderson College, reaching the lost is first and foremost. A Hylander does not simply go soul winning; he is soul-conscious wherever he goes. He realizes that every individual is a soul for whom Christ died and that every person who is not saved is destined for a Christless eternity. Therefore, a Hylander understands that it is urgent to win the lost to Christ.

A true Hylander has strength of character. A Hylander has learned to do right subconsciously by reflex through the training of the will and the developing of proper habits.

**A true Hylander has strength of patriotism.** A Hylander is loyal to his country, and he understands that all powers and authorities are ordained of God and deserve his respect and his prayers.

**A true Hylander has strength of integrity.** A Hylander knows what he believes and why he believes what he believes. He walks uprightly and confidently speaks the truth. A Hylander does not compromise but firmly stands for what is good and right.

**A true Hylander has the strength of dedication.** A Hylander is diligent to the task before him. He does not leave any task undone. Determination and perseverance characterize his life.

**A true Hylander has the beauty of refinement.** A Hylander's development of culture is Biblical and Christian, not worldly. A Hylander desires to acquire knowledge and to possess refinement in manners, etiquette, and appreciation.

**A true Hylander has the beauty of appropriateness.** A Hylander knows how to speak, dress, and act properly in any and every situation.

**A true Hylander has the beauty of kindness.** A Hylander possesses thoughtfulness and gentleness. He understands the powerful influence his words can have. Therefore, he offers no criticism of others, and he is careful about sharing his opinion. A true Hylander has the beauty of love. A Hylander has a genuine love for all people, and he guards his spirit from bitterness. A Hylander spends his life thinking of and living for others.

As you pass through the halls of Hyles-Anderson College and sit in the classes and the chapel services, may you gain both strength and beauty.

# Jack Hyles, B.A., L.H.D., D.D. Founder

September 25, 1926–February 6, 2001

University of Texas; East Texas Baptist College, B.A.; Southwestern Seminary; Bob Jones University, L.H.D.; Midwestern Baptist College, D.D.

Jack Hyles began preaching at the age of 19 and pastored for 54 years. These pastorates included churches that varied in membership from 44 to over 100,000. All of these pastorates, other than First Baptist Church, were in the state of Texas: first, Marris Chapel Baptist Church of Bogata,

Texas; then to Grange Hall Baptist Church in Marshall, Texas; from there to Southside Baptist Church of Henderson, Texas; and then to Miller Road Baptist Church of Garland, Texas. He pastored Miller Road Baptist Church for approximately 7 years and saw this church, with the Lord's help, grow from a membership of 44 to over 4,000. It was from Miller Road Baptist Church that he was called to First Baptist Church of Hammond, Indiana.

Dr. Hyles was pastor of First Baptist Church from August 1959 to February 2001. This church grew to a membership of over 100,000 and averaged 10,000 baptisms per year for the last five years of his ministry. In 1972, the First Baptist Church was acclaimed to have the "World's Largest Sunday School." During Dr. Hyles' ministry, First Baptist Church increased in property value from \$70,000 to over \$70,000,000.

Besides his position as pastor, Dr. Hyles was founder and chancellor of Hyles-Anderson College and superintendent of Hammond Baptist Schools and City Baptist Schools, which combined enrolled approximately 4,000 students that last year. The doors of Hyles-Anderson College opened in 1972, and Dr. Hyles led in the training of over 1,000 pastors and missionaries serving in the United States and on foreign fields. During his lifetime, the First Baptist Church also started and operated a rescue mission and cemetery which, along with the schools, are located within 20 miles of the church.

Dr. Hyles authored 49 books and pamphlets. Many of his sermons are available on audio and video tapes. Dr. Hyles' experience covered numerous evangelistic campaigns, Bible conferences, etc. He preached in virtually every state in the Union and in many foreign countries. He hosted 37 annual Pastors' Schools, which attracted thousands of preachers from all over the world.

# Russell Anderson, D.D. Co-Founder

Midwestern Baptist College, D.D.; Owner of Russell Anderson Building Corporation, Anderson Service Corporation, and Russell Anderson Apartments of Ypsilanti, Michigan.

Born in poverty in the mountains of eastern Kentucky, Dr. Anderson learned that money is to be earned by hard work and handled with caution and wisdom. In his biography he states, "Poverty is a blessing in disguise."

With rugged determination and an old-fash-

ioned work ethic, Russell Anderson partnered in business with God. Since 1959 God has miraculously blessed Dr. Anderson's business exploits in direct proportion to his increased giving. By 1970 he was giving back to God 50 percent of what he was earning, and his financial status had gone from millionaire to multimillionaire. Dr. Anderson never took a business course and gives all of the credit for his business success to the Bible principles that he has applied.

Around the year 1960, Dr. Anderson heard Dr. Hyles preach for the first time. Dr. Hyles and Dr. Anderson developed a close friendship. In 1972 Dr. Anderson co-founded Hyles-Anderson College with Dr. Hyles. They were close friends through the years. Dr. Anderson has invested in Hyles-Anderson College along with other colleges in Kentucky, Michigan, and Texas.

Extending his vision to other parts of the world, Dr. Anderson has also played a major role in the birth of colleges in Haiti, Mexico, the Philippines, and Africa. He has also financed the building of more than 800 churches around the world.

Dr. Anderson, an accomplished soul winner, has pioneered in the efforts of funding foreign Bible college students as soul winners on a full-time basis. He has seen over ten million souls saved as a result of these wise investments.

In spite of his numerous business obligations, Dr. Anderson has also found time to travel extensively promoting soul winning and success through proving God in the area of finances.

# John Wilkerson Chancellor

Pastor John Wilkerson grew up in Tennessee and was saved as a child. His wife Linda (Francis) grew up in Massachusetts and was also saved as a child. John and Linda met at Hyles-Anderson College. John graduated from Hyles-Anderson College in 1989, and Linda graduated in 1990. They were married in the summer of 1989.

After graduation, John taught at First Baptist Church's City Baptist Schools for one year until moving to California to teach high school at First

Baptist Church of Long Beach. In 1993 he assumed the position of principal of Calvary Christian School in Baton Rouge, Louisiana, until returning to California to become the eighteenth pastor of First Baptist Church of Long Beach in June of 2000, where church services in English, Korean, and Spanish were conducted every week. The Sunday school program grew in attendance from 849 to over 1,700 in the 12 years that he was pastor at First Baptist Church of Long Beach.

In August of 2008, the Wilkersons lost their 17-year-old son Tyler as the result of a car accident. The following Sunday, Pastor Wilkerson preached a sermon entitled "God Makes No Mistakes." God has used their testimony to help many hurting families.

Brother Wilkerson became the pastor of the First Baptist Church of Hammond, Indiana, in February of 2013. He is known for his soul winning, preaching, and love for Christ and others.

John and Linda Wilkerson have been married for 24 years, and God has blessed them with nine children: Tyler (now in Heaven), Derrick, Preston, Lydia, Drew, Coleman, Judson, Mason, and Lacey.

Dear Friend,

Thank you for considering Hyles-Anderson College and its programs for your future. This institution was birthed out of the vision of our founders, Dr. Jack Hyles and Dr. Russell Anderson. Both men were passionate servants of Christ, devoted to the propagation of the Gospel.

These are wonderful days to serve Christ. The doors of eternal opportunity swing wide open to those who prepare to walk through them. Here at Hyles-Anderson College, we long to continue the legacy of preparing servants for the Lord's harvest. I am so grateful that the Lord made me a recipient of such an institution years ago.

God has given us the wonderful First Baptist Church family, various ministries, gifted leaders, a beautiful campus, a vibrant atmosphere, and a mighty God to love.

If our God would direct your heart to prepare with us for His eternal cause, come to Hyles-Anderson College.

For His cause,

John Wilkerson Chancellor

# Ray Young, B.S., D.D. Vice Chancellor

Teaches Church Education

Baptist Christian College, Hyles-Anderson College, B.S., D.D.; Youth director for three years; Assistant pastor at the First Baptist Church of Hammond for thirty-two years; Bus director for twenty-six years; Twenty-seven years of teaching experience; College administrator for twenty-four years; Author of six books.

Dr. Ray Young was trained by his parents to be an honest and hard-working young man. Being in rural Louisiana, he enjoyed hunting, fishing,

and the outdoor life. In 1970, as a fifteen-year-old boy, Brother Young rode a bus to church, was saved, baptized, called to preach, and preached his first sermon. As a young man, he listened to men like Dr. Jack Hyles, Dr. Wally Beebe, and Dr. Jim Vineyard. In 1974 he came to Hyles-Anderson College and worked his way through college. Dr. Hyles described Brother Young during his first year in college as, "A very mild-mannered, meek, and almost timid college student." In 1977 he was asked to join the staff of the First Baptist Church of Hammond and had the opportunity to learn firsthand from Dr. Hyles about the ministry. Dr. Young has stated that he teaches what great men have taught him.

This "bus kid" has served as an assistant pastor for thirty-three years; thirty-two of those years have been at the First Baptist Church of Hammond. For twentysix years, Brother Young served at First Baptist Church as the bus director of the B, C, D, and G bus ministries with over 150 bus routes. These routes often had attendances of over 10,000 per Sunday.

After serving as executive vice-president for eleven years, Dr. Young served as the co-president of Hyles-Anderson College for five years. Dr. Young served as president of Hyles-Anderson College for eight years. He is now serving as the vice chancellor of pastoral relations for the college.

Dr. Young and his wife, Debi, have three married adult daughters—Jennifer, Linda, and Lacey—and seven grandchildren. Dr. Young has been preaching and in the ministry for 43 years.

Dr. Jack Hyles stated that: "As a worker, he is tireless; as a bus leader, he is compassionate; as an assistant, he is loyal; and as a friend, he is incomparable. He is a preacher, teacher, worker, friend; he is loyal, faithful, diligent, dedicated, and caring."

# **Philosophy of Education**

Hyles-Anderson College's philosophy of education is "be, know, and do." It is the goal of Hyles-Anderson College that every student be what he should be, know what he should know, and do what he should do.

The Bible is our standard. Hyles-Anderson College seeks to determine what a Christian should be, what he should know, and what he should do based upon the precepts and commandments of the Bible.

Hyles-Anderson College is a school that prepares young men and women for a life of Christian service that places career subservient to God's will, chooses sacrifice over financial attainment, and requires obedience before preeminence.

The chapel service is where the students become what they should be. The classroom is where the students learn what they should know, and their weekend ministry is where the students do what they should do.

Hyles-Anderson College emphasizes the practical. The person doing the work is the person doing the learning. Hyles-Anderson students do the ministry as well as prepare for the ministry.

The nature of Christian service is that it is a calling of leadership. Jesus said, "Follow me, and I will make you fishers of men." A successful Hyles-Anderson College graduate will always be a leader in function if not always in position.

Hyles-Anderson students should be, know, and do for a reason, that reason being the Great Commission as stated in Matthew 28:19–20: "Go ye therefore, and teach all nations, baptizing them in the name of the Father, and of the Son, and of the Holy Ghost: Teaching them to observe all things whatsoever I have commanded you: and, lo, I am with you alway, even unto the end of the world. Amen."

# GENERAL INFORMATION

#### **Campus Environment**

The campus includes 107 acres of wooded hills, a beautiful lake, a football field, a large chapel, dormitories, dining facilities, a bookstore, a library, a print shop, a 3,000-seat gymnasium, and many other features. Many are connected buildings, attached by heated, naturally lighted hallways. Students do not have to go outside to go from classroom to chapel or to the administrative area, as these buildings and the dormitories are connected by heated hallways. Visitors have been nearly unanimous in acclaiming it as one of the most beautiful college campuses in America.

The security and serenity of the college campus is protected by our fine staff of security personnel. Our security staff has been repeatedly recognized as one of the finest maintained by any private organization in this area. Hyles-Anderson College provides a wholesome atmosphere for students and visitors.

Students may stroll and hike through the wooded campus and study while overlooking a beautiful lake with an attractive island in the center. The campus is away from the busy urban life of the Chicago area, yet it is only a short drive from the First Baptist Church in downtown Hammond and less than a one-hour drive from downtown Chicago.

#### **Campus Location**

Hyles-Anderson College is located at 8400 Burr Street near Crown Point, just off Highway 30 between Highway 41 and Interstate 65.

First Baptist Church of Hammond also operates a Christian grade school, junior high school, and high school located in Schererville, Indiana. This campus is known as Baptist City. The City Baptist campus is located north of the First Baptist Church's campus and is a unique school serving "bus kids" in grades 1-12.

#### Soul Winning and Christian Service

Activities for personal soul winning take place each week, including a wide variety of opportunities to build bus routes and Sunday school classes.

#### **Private Devotions**

Each student maintains his own personal life with the Lord through Bible reading and prayer.

#### Chapel

Chapel services are held with a variety of speakers challenging the students from the Hyles-Anderson College platform.

#### Classes

Hyles-Anderson College conducts all classes in an atmosphere that promotes spiritual growth and maturity along with academic knowledge. Hence, each class, meal, and meeting begin with prayer.

#### Activities

Students are provided with several chaperoned social activities each semester. Picking apples at a local orchard, touring the Christmas sights in Chicago, or attending a major league baseball game are a few favorite activities. Hyles-Anderson College students participate in an active intramural athletics program including flag football, basketball, volleyball, and soccer.

#### **Music Groups**

The concert choir, orchestra, ensembles, and other groups give the students an opportunity to participate in various levels of music. These groups give the students a valuable experience in the field of music. They provide an outlet for the student's relaxation and give him an opportunity to be a blessing to others.

#### HOUSING

#### **Residence Halls**

The residence halls are a place where many lifelong friendships are forged. They are supervised by the dean of student life and his staff, who are available around the clock to care for any emergencies that arise. Although the residence halls are not a replacement for home, they are a place where students develop a portion of their spiritual and social life.

#### **Off-Campus Housing**

All single students who wish to live off campus, except those living with their parents, must request permission to do so from the administration. This request should be submitted in writing 30 days before the student registers. This request should be sent to the attention of the dean of student life. Please include in the letter of request some information concerning the people with whom you would like to live and your relationship to them. The majority of single students under age 25 are required to live in the dormitories if not living with a parent or legal guardian.

#### **Health Services**

Hyles-Anderson College maintains a wellsupervised clinic. The clinic is open to all students. The clinic is under the direction of Mrs. Kris Grafton, a registered nurse who has a total of 36 years of nursing experience. Mrs. Grafton and her capable staff of nurses have years of experience in a variety of areas.

Dr. Dennis Streeter is a local physician who volunteers his time in order to help the students. Numerous specialists and doctors are located in the Calumet area. Three hospitals are within a 15-minute drive of the college. Several major medical centers are also located in the Chicago area.

#### **Time Zone**

Hyles-Anderson College is located in Lake County, Indiana, which, as part of the Chicago area, is in the Central Time Zone.

#### **Area Employment**

Hyles-Anderson is close to the great Chicago job market. Miss Jennifer-Ruth Green oversees finding employment to fill the students' needs adequately. Some Hyles-Anderson students are married men who attend school during the days and support their families by working second or third shift jobs in this area. Many dormitory men find part-time employment to meet some or all of their college expenses. Certainly your skills, experience, and willingness to work will have a definite impact on the wages you earn. Because of the record our students have established for faithfulness, hard work, and honesty, jobs which will meet the students' needs are available for those who will work hard and persevere.

#### Visiting Hyles-Anderson

Hyles-Anderson College welcomes visitors throughout the year. Groups are invited to attend classes and chapel any day of the year unless classes are not in session due to conferences or breaks. Our chapel services are held at 11:00 a.m. Visitors are also invited to attend the services of First Baptist Church of Hammond on Sundays or on Wednesdays.

Because many groups often go on college tours at the same time, we must schedule our visiting groups on different days. For this reason, we ask that visiting groups please write or call Mr. Andrew Bailey to schedule their visit. We also reserve overnight facilities for groups of prospective students up to twelve ladies and twelve men. These facilities must be reserved and are open to groups that arrive between 7:30 a.m. and 10:00 p.m. Please bring your own sheets, blankets, or sleeping bag and pillow. Also, all visiting prospective students and their sponsors are welcome to be our guests at all meals.

### **Notice of Nondiscriminatory Policy as to Students**

Hyles-Anderson College admits students of any race, color, national and ethnic origin to all the rights, privileges, programs, and activities generally accorded or made available to students at the school. It does not discriminate on the basis of race, color, national and ethnic origin in administration of its educational policies, admissions policies, scholarship and loan programs, athletic programs, and other school-administered programs.

### Notice to Students, Staff, and Faculty Members

In the event of a catastrophe such as, but not limited to, fire, windstorm, hail, explosion, riot attending a strike, riot, civil commotion, aircraft, vehicles, and smoke, Hyles-Anderson College is not liable for damage to any personal belongings of students. Neither is Hyles-Anderson College liable for theft of personal belongings of students, staff, or faculty members.

Hyles-Anderson College reserves the right to withdraw courses at any time, to change the fees, to change the calendar, or to change the rules regarding admission as well as graduation requirements or any other regulations affecting the student body. Changes shall become effective whenever the proper authorities so determine and shall apply not only to prospective students, but also to those who at that time are matriculated in the college.

They are subject to all rules of the college concerning discipline, church attendance, and Christian service obligations. Audit students are under all of the regular class attendance policies unless they are eligible to take the course without charge. Questions may be directed to the academic dean. Auditing a course costs \$100 per semester hour (half the usual rate) and entitles the student to attend all classes during which a major test is not being given. Since an auditor does not receive credit for the class, he is not required to take examinations or do outside assignments. With special permission from the instructor, he may take some of the tests. No grade is given in the course. Students who have any thought of obtaining a college degree should not audit courses. Students enrolled in the "Certificate of Audit" program will be charged the full cost of tuition and not as an auditor

The amount due is available at the business office. However, due to the time required to process new applications by the V.A., students will frequently have their checks delayed past October 21. Students should file their applications for benefits as soon as possible so that this delay will be as brief as possible.

All veterans attending college must realize they are responsible for their college payments. When checks from the V.A. are late in arriving, the student will still need to make the payments on his bill as are required of the other students.

Any veteran not maintaining at least a 2.0 cumulative grade point average will be put on academic probation by the college. For further details, see "Academic Standards" on page 50. Students receiving veterans benefits will not be allowed to take Applied Bus Work toward the Church Education requirement and will not receive Veterans Benefits for Applied Bus Work.

Hyles-Anderson College is considered by the Veterans Administration on a "credit hour" basis. The following table shows a breakdown of benefit levels:

Semester Hours	V.A. Benefits
6-8	50%
9-11	75%
12-20	100%

It is very rare for F1 students to be able to work off-campus. This permission is given by the federal government, not Hyles-Anderson College.

In addition to the entrance requirements listed on page 46, students who are applying for the Master of Education degree must have a bachelor's degree with a 2.75 grade point average (based on a four-point system) for the last half or last 64 hours of their undergraduate training; instead of meeting that requirement, students must have completed at least 12 hours of classroom graduate studies at an approved graduate school with at least a 3.0 grade point average (based on a four-point system). Students who do not have a 2.75 average over the last 64 credits may be admitted to a graduate program but will be placed on academic probation. While on academic probation, they must maintain a 3.0 (B) average for all classes at the end of one semester, may not have more than one C in the semester, and no D's or F's are allowed. Students who do not qualify to be taken off probation may not register for a second semester. Students who are academically ineligible may apply for readmission after sitting out one semester but are not guaranteed admission.

#### Transfer Students Transcripts From Other Colleges

Students from other colleges must have all transcripts sent directly to Hyles-Anderson College from the schools attended, whether or not credits have been received. It is expected that transfer students be in good standing at the school last attended. Credit is given for all subjects which are equivalent to those offered in our catalog and in which a grade of C or better was earned. An evaluation of a transcript must be made by the academic dean to determine which credits can be accepted and to determine the classification of a transfer student. A student must earn at least 38 semester hour credits in residence at Hyles-Anderson College to receive a degree from this institution. Credit toward a Hyles-Anderson degree will not be transferred from more than two institutions. (Exception: Hyles-Anderson College will review credits from any number of schools which were attended while the student was in the military.) Any applicant who has attended another college must have a transcript sent to Hyles-Anderson College by every college he attended, even if he does not desire to transfer any credits or if no credits were earned there.

#### **Transfer Credits**

A student who desires to transfer credit to Hyles-Anderson College must care for this matter as soon as possible. Any student must earn 30 of his last 36 hours at Hyles-Anderson College. Under rare circumstances, students may be exempted from some business courses (i.e., passing a proficiency test).

In rare circumstances, students may take courses at other colleges during the summers between regular semesters while enrolled at Hyles-Anderson College. They must receive written permission in advance to have these credits transferred to Hyles-Anderson College. This approval will come from the academic dean and must include approval of the school and specific courses to be transferred.

# ACADEMIC INFORMATION

## Academic Standards

All students must maintain a "C" average (2.0) each semester to be in good academic standing.

If a student averages less than a "C" (2.0), he will be placed on academic probation for the next semester. He will also be required to meet with an academic counselor once a week.

If while on academic probation the student's semester average is less than a "C" (2.0), the student will be placed on restricted academic probation the next semester and will be allowed to take a maximum of 12 credits.

If while on restricted academic probation the student's semester average is less than a "C" (2.0), the student will not be allowed to register for the next semester. The student may reapply to Hyles-Anderson College after one semester out of school.

After the one semester waiting period, if the student is readmitted, he will be placed on advanced academic probation. If at the completion of the student's fifth semester of college he has not maintained a "C" (2.0) average, he will not be allowed to return to Hyles-Anderson College for two semesters. (This does not include summer school.)

If the student reapplies and is accepted after the two-semester waiting period, he must return on terminal academic probation. This means that if his grades drop below a "C" (2.0) average during the remainder of his college career, he will not be allowed to return to Hyles-Anderson College until he can demonstrate to his home pastor and to the college administration that he has changed his attitude, abilities, and character.

#### **Unit of Credit**

The unit of credit is the semester hour. A semester hour is one fifty-minute period of instruction per week for 16-18 weeks per semester. Dormitory students are required to enroll in a minimum of twelve semester hours each semester.

#### **Classification of Students**

#### **General Math**

Secondary education majors who fail this test must take General Mathematics (MA 101) as their first elective.

Those scoring 25-34 will be placed in Composition I and then take English Composition II.

#### **Fundamentals of Music**

All elementary education majors and all students with a music teaching field must either pass the Fundamentals of Music test or enroll in the course Fundamentals of Music (MU 101).

#### **Grading System**

Hyles-Anderson College uses the fourpoint system for determining a student's grades, as illustrated below:

Grade	Honor Points per semester hour
А	4
В	3
С	2
D	1
F	0
W	Withdrawal

Students who made an incomplete (I) during a semester will have three weeks after the last final exam of that semester to make up the work. If the work is not completed by the required deadline, the I will be changed to a punitive grade (F). Students must make the grade of "C" (2.00 g.p.a.) or higher in all courses that are a part of the majors, minors, all English courses, all Bible courses, and Church Education. All students in the secretarial program must make grades of C or above in business courses. However, they will be allowed to make the grade of D in three business courses.

At the close of each semester, every student whose bill is up-to-date will receive a copy of his grades for that semester. Students with delinquent accounts will receive copies of their grades as soon as their overdue bills are paid.

#### Graduation

In order to march in commencement exercises, a student must complete all of the academic requirements for that degree.

A candidate for graduation for the bachelor of science degree must take a minimum of 38 semester hours at Hyles-Anderson College and must meet the normal requirements for a major field of study.

Students who expect to march in any graduation ceremony must be certain that the academic dean is aware of their plans to march at least 60 days prior to the date of the graduation ceremony.

No one may march in the graduation exercises unless his grade point average at the end of the semester preceding graduation is at least 1.8.

In order to graduate with a bachelor of science degree, students attending First Baptist Church of Hammond must work on a church bus route for at least two regular semesters, or ladies may be in the Phoster Club for two regular semesters. The details of this requirement may be obtained from the academic dean. Each year at the graduation exercises, a valedictorian and salutatorian will be announced. They will be the two graduating seniors who have the highest academic average at Hyles-Anderson College. A minimum of 90 hours must be completed at Hyles-Anderson College to be eligible for these honors. Correspondence work done while enrolled in college would not be considered as classroom work done at the college. In the event of a tie, those with less than 128 hours at Hyles-Anderson College would not be eligible; also, +'s and -'s on grades would be considered.

At least 128 hours must be earned for the B.S. degree. Also, a student must have an academic average of at least a C (2.00) in courses taken at Hyles-Anderson Colleae to receive the B.S. degree. However. students must take all required courses. This may necessitate their taking 131 hours or more.

Students are required to pass a minimum of 12 semester hours of Church Education during the regular fall and spring semesters. Church Education credits may be completed with up to five credits of Applied Bus Work. Students receiving veterans benefits will not be allowed to take Applied Bus Work towards the Church Education requirement. They will not receive veterans benefits for Applied Bus Work. If the student has satisfactorily completed all other required courses, has 128 credits, and has met all other graduation requirements. then he may graduate with fewer credits of Church Education.

Students who receive bachelor degrees and who maintain a high academic average at Hyles-Anderson College will gradu- ate with honors as follows:

During their first year in college, they will be required to pass a proficiency test for the teaching fields that they pick. Students not passing the test would be required to take remedial classes for the field. This would mean that the student could not complete this major in four years.

Opportunities for Spanish students include Christian service at the First Baptist Church of Hammond, Indiana, in one of America's largest Spanish works, averaging over 2,500 in attendance each Sunday. Soul winning among the Spanish, assisting in the teaching of other Spanish people during Sunday school, and participating in all planned activities for the college students makes the Spanish college a well-rounded program.

Four-year bachelor of science degrees are available in education and theology along with several other courses of study. These programs of study are directly coordinated with the dean of the Spanish program.

## **Elementary Education Major**

Neither this course of study nor any other major at Hyles-Anderson College is to be construed as a preparation for public school teaching.

An education major may not student teach during the fall semester if he is lacking more than 18 hours of required courses. (This is in addition to Student Teaching, Bible, and electives.)

No one may student teach during the spring semester and finish during the following summer unless he is lacking ten hours or fewer of required courses. (This is in addition to Student Teaching, Bible, and electives.) No one may student teach whose grade point average at the beginning of the semester in which he student teaches is not at least 2.00 (C). Students whose primary language is not English must demonstrate an English proficiency before student teaching.

#### **General Math**

All elementary and secondary education majors should take the General Math Test as early as possible. Elementary education majors who pass this test may take an elective course in its place. Secondary education majors who fail this test must take General Mathematics (MA 101) as their first elective.

#### **Fundamentals of Music**

All elementary education majors and all students with a music teaching field must either pass the Fundamentals of Music test or enroll in the course Fundamentals of Music (MU 101).

Students in this major will not be required to take a minor.

## **Secondary Education Major**

Neither this course of study nor any other major at Hyles-Anderson College is to be construed as a preparation for public school teaching.

An education major may not student teach during the fall semester if he is lacking more than 18 hours of required courses. (This is in addition to Student Teaching, Bible, and electives.) No one may student teach during the spring semester and finish during the following summer unless he is lacking ten hours or fewer of required courses. No one may student teach whose grade point average at the beginning of the semester in which he student teaches is not at least 2.00 (C). Students whose primary language is not English must demonstrate an English proficiency before student teaching.

It is virtually impossible for a student majoring in secondary education to graduate in three years unless one of the teaching fields is English.

The secondary education major requires a student to choose two teaching fields. Students are expected to be proficient in the teaching fields that they choose. During their first year in college, they will be required to pass a proficiency test for the teaching fields that they pick. Students not passing the test would be required to take remedial classes for the field. This would mean that the student could not complete this major in four years. Students who have one teaching field from English, history, or science will be able to complete this program in 128 hours. Students who have both teaching fields chosen from mathematics, physical education, or music will probably require 131 hours to complete this program.

Students in this major will not be required to take a minor.

# Bachelor of Science Degree Curriculum for Women

Each student in the Bachelor of Science degree program will take core classes and a major. Students majoring in Elementary Education or Secondary Education will take only the core curriculum and major. Students with other majors will take a minor with 22 semester hours. A minimum of 128 credits must be earned to receive a bachelor of science degree. Students may choose to take additional majors and minors. More than 128 credits may be required depending on the student's course requirements. Students must make the grade of "C" (2.00 g.p.a.) in all courses that are a part of the majors, minors, all English courses, and all Bible courses. Students are required to have an overall grade point average of "C" (2.00) in order to graduate. The college reserves the right to update the curriculum at any time.

Pastor Wilkerson enjoys meeting students on a bus to Chicago.

# **Hyles-Anderson Seminary**

The combination of zeal and knowledge which typifies Hyles-Anderson College has become known across America. This same proven combination is offered on a graduate level in Hyles-Anderson Seminary. Hyles-Anderson Seminary offers four seminary degrees:

- A one-year bachelor of theology degree
- A one-year bachelor of religious education degree
- A two-year master of pastoral theology degree
- A two-year master of missions degree

Our program combines advanced Bible training with a practical emphasis on preaching, soul winning, and building New Testament churches. Hyles-Anderson Seminary is taught only by professors who are experts in their fields and who go soul winning every week.

If you have completed a four-year bachelor's degree and are interested in graduate studies in Hyles-Anderson Seminary, please contact our Admissions Office for further information.

#### **Entrance Requirements**

Seminary students must have a bachelor's degree from a recognized college and must be approved and accepted by the administrative committee of the seminary. Applicants who are not graduates of Hyles-Anderson College will be required to provide ACT scores. Applicants may be required to complete additional undergraduate courses based on these scores. Please read the section on "Admissions Procedures." Complete all forms in the packet.

#### **Transfer of Credits**

Students enrolled in the seminary may transfer up to 12 credits from a recognized seminary or graduate school.

#### Written Personal Testimony

Since Hyles-Anderson Seminary is distinctively a Christian school to train Christians to serve our Lord Jesus Christ, applicants must give testimony of having received Him as personal Saviour. A written personal testimony of the applicant's assurance of salvation is required with the application.

#### **Character References**

The administration and faculty have a deep conviction that we endeavor to provide not only the best academic and practical training, but also the best spiritual training as well. Building Christian character and spirituality is a prime goal of the college. Each applicant must request three acquaintances (including the pastor) to submit a personal reference. These references are to give testimony regarding the applicant's salvation and Christian character. These references must be received by the Admissions Office. Each student is required to abide by the standards of Christian conduct as set forth in the student handbook, which is received at registration. These standards are based on the Word of God. We want to avoid legalistic living, but we believe that what every Christian ought to do, those called to Christian service must do (I Corinthians 4: 1; I Timothy 3: 1–7).

#### Graduation

In order to march in commencement exercises, a student must complete all of the academic requirements for that degree. A candidate for graduation must take a minimum of 30 semester hours at Hyles-Anderson Seminary and must meet the normal requirements for the field of study. Students who expect to march in any graduation ceremony must be certain that, at least 60 days prior to the date of the graduation ceremony, the academic office is aware of their plans to march. A candidate for graduation for the master of pastoral theology must complete at least sixty-four hours in this program with a 2.60 grade point average. A candidate for graduation for the bachelor of pastoral theology must complete at least thirty-four hours in this program with a 2.60 grade point average. A candidate for graduation for the bachelor of religious education must complete at least 34 hours in this program with a 2.00 grade point average.
