a closer look at **WHO WE ARE**

Hyles-Anderson College was started in 1972 with the goal of producing well-rounded servant leaders who would do great works for God. As a student you will be challenged to grow deeper in your relationship with Christ through regular chapel services and Bible classes. You will be given the opportunity to serve through a wide variety of outreach ministries, ranging from teaching small children to ministering in local nursing homes, within a local-church setting. You will also enjoy an exciting social life and create lifelong friendships.

Hyles-Anderson College is an independent, fundamental, Baptist, Bible college with high moral and academic standards. We unashamedly and exclusively use the King James Bible as our primary textbook.

Our college has a rich heritage and a proven track record of training many of today's most effective Christian leaders, but we are not content to rest on the merits of yesterday. The successes of our past have laid a firm foundation for the effectiveness of our future as we strive to teach, train, reach, and impact the next generation to do *"greater works than these."*

Hyles-Anderson College is a Bible college, and every student receives a Christ-centered education. The college was established so that those in full-time Christian work can be better equipped to do the work of the Lord. The desire of the administration, staff, and faculty is *“That the man of God may be perfect, thoroughly furnished unto all good works.”* (II Timothy 3:17)

The faculty of Hyles-Anderson College combine modern teaching methods with timeless Biblical truths and fundamental Baptist distinctives to produce well-rounded servant leaders. We believe that an educated and trained Christian servant has the tools to make a positive impact on his community and on his world for the cause of Christ. We blend scholarship with practical training. We teach not only what to do, but how to do it.
