HYLES-ANDERSON
COLLEGE

At Hyles-Anderson College, we are all about preparing you to be the most effective servant you can be for God.

You will receive a Christ-centered education from faculty with decades of experience, but your instruction does not end in the classroom. Hyles-Anderson College affords opportunities for you to grow spiritually and socially in an environment designed to provide practical ministry experience and skills to educate, equip, and empower you for a lifetime of Christian service.

“Give instruction to a wise man, and he will be yet wiser: teach a just man, and he will increase in learning.” (Proverbs 9:9)

EDUCATE

We offer five academic programs, with several majors, designed to prepare you for whatever local-church ministry path you choose. Modern teaching methods are combined with fundamental Baptist distinctives and timeless Biblical truths. You will be challenged spiritually and academically through a Christ-centered curriculum and principles from the King James Bible.

“Coming from a small town in Wisconsin, I appreciated the opportunity to interact with people from all over the world which expanded my thinking and pushed me to be a better person and a better Christian. I found that the faculty cared about me as an individual and encouraged me to stretch beyond my comfort zone to accomplish things I never realized I could.”

*Rachel Jordan
Black River Falls, Wisconsin*

“For the perfecting of the saints, for the work of the ministry, for the edifying of the body of Christ.” (Ephesians 4:12)

EQUIP

With resources, experiences, and opportunities applicable to your field of study, you will be equipped with the tools necessary to be a productive ministry worker in a local-church setting somewhere in the world.

Learning and doing go hand in hand. We believe you don’t have to wait until you graduate to be in the ministry. You can be in the ministry while you are training for the ministry. The more experience you get, the better equipped you will be.

Your Hyles-Anderson College experience can be customized to include many options to expand your horizons and step out of your comfort zone to move you far beyond where you thought you could go for God.

- Internships
- Preaching & Teaching
- Residency Programs
- FBMI Missions Trips
- EMT Training
- Security Training

"I am thankful for the education I received in the classroom. It has transformed my thinking and taught me to dig into the Scriptures for myself to see what God has for me. I also got some great ministry experience at Hyles-Anderson College. I learned how to serve others and how to legitimately love people. However, the most life-changing concept I learned at HAC was how much I needed God and how to have a daily walk with Him. My personal relationship with God has been strengthened, and that is the most important thing in the world to me."

*David Warren
Wartrace, Tennessee*

"I am the vine, ye are the branches: He that abideth in me, and I in him, the same bringeth forth much fruit: for without me ye can do nothing." (John 15:5)

EMPOWER

Your relationship with God is paramount in preparing for a life of serving Him and His people. Our curriculum, chapel services, church services, and ministry outreach are coordinated to help connect you to the source of all power—a lifelong, personal relationship with Christ.

Whether you are called to serve, lead, teach, or create, helping you pursue God's calling for your life is what we desire to do.

"After graduating from college, I was ready to jump right into teaching high school science and mathematics in a Christian school. I was able to focus on my first year of teaching without having to worry about any student debt. My college job and scholarships allowed me to pay my entire bill before graduation, making the transition to full-time ministry much smoother."

*Nathan Bosje
Merrillville, Indiana*
